

# **Comprehensive School Improvement Process 2020-21**

School improvement efforts are a collaborative process involving multiple stakeholders. Through the improvement planning process, leaders focus on priority needs, funding, and closing the achievement gaps among identified subgroups of students. When implemented with fidelity, the Comprehensive School Improvement Plan (CSIP) cultivates an environment that promotes student growth and achievement.

Please see links below to some of the reports submitted to KDE to assist us in our efforts to improve.
